DON'T PROCRASTINATE THIS YEAR!

*Send in the enclosed YK application
and help us plan better for 2019!!!*

A message from your president—Ron Pfeffer...

In 2018 we decided to draft short (less than 14 players per team)—we did not have 112 players for the draft for Monday or Thursday leagues. We hoped that players would “come out of the woodwork” to fill up our rosters. That did not happen and we were forced to play with fewer players—our managers struggled to get enough players on the field. In addition we had injury after injury and illness after illness—at one point we had 26 players on the D/L who

were signed up to play 45 games per week and no replacements.

We will not draft short in 2019, we are going to push signups before the draft—you guys must spread the word—get applications to your friends and make sure they sign up to become a Yesterday's Kid. We have enclosed a 2019 application in this mailing for you or a friend to use (you can download apps from the YK website). *If you have already sent in an application do not send in another one, pass this one on to a friend.*

If we can fill the rosters with 112 on Monday and 112 on Thursday we will

continue to have eight 65+ teams on Monday and eight 65+ teams on Thursday. If we can't fill the teams with 14 players on each team will have to cut the number of teams per league. If we have to go with an uneven number of teams it would mean we would have to schedule a BYE for a one team each week.

If we can get more than 112 per league we may allow teams to use subs to field full teams if the need arises. We will do whatever it takes to keep our leagues strong and enjoyable.

WE NEED YOUR HELP—SIGN UP NOW!

Bill Stropes and Cliff Jones have resigned from the Commission...Wayne Carlisle has joined it.

The Yesterday's Kid Commission thank Bill and Cliff for their service to the Yesterday's Kids Organization and for all their hard work throughout the past years. They will be missed and they will be hard to replace.

Bill handled all the field coordination for the games with the Anderson County Park Board; which included scheduling, cost, handling the insurance, and making sure

the fields were in playable condition.

Wayne Carlisle will take over Bill's duties as Field coordinator and we welcome Wayne and know he will do a fine job.

Cliff Jones coordinated activities and special projects such as arranging trips to the Reds games, etc. His main job was coordinating the annual YK Picnic.

We have not replaced Cliff.

CALL THE **HOTLINE**

YEAR ROUND
